PROJECTS

SEM – VII & VIII Major Project – InvestWise: Equity Analysis Application

AUG 2023 - APR 2024

- Implemented and developed a mobile app that includes comprehensive stock transaction report utilizing historical data, incorporating four strategies: daily trading, weekly trading, a combination of both and RSI trading.
- Users interact with the system by inputting a stock symbol, start date, investment duration, and total available funds, receiving detailed results including final portfolio value, change in value, percentage change, and transaction specifics.

Technologies Used: Python for Implementing Algorithms, Flutter, Firebase

SEM – V & VI Mini Project – StockDash: Interactive Website for Education & Tracking of Stocks

AUG 2022 - APR 2023

- Created a beginner-friendly website dedicated to educating users about Stocks and Trading, featuring blogs, courses, and learning videos to facilitate a comprehensive learning experience.
- Incorporated a user-friendly search tab enabling users to track stock prices over time by entering a company code. Additionally, the website offers graphical representation of stock prices, aiding users in predicting potential profits and making informed investment decisions.

Technologies Used: Python, Django, HTML, CSS

SEM – IV Mini Project – Her: Women Hygiene

JAN 2022 - MAY 2022

- Created a Women's Hygiene app featuring a straightforward menstrual cycle calendar and intuitive period tracker.
- The app serves as a one-stop destination for women of all ages, offering guidance, information, and support across various life stages. Additionally, the app provides informative blogs addressing topics related to periods and overall health.

Technologies Used: Flutter, Firebase

SEM – III Mini Project – Pluto: Virtual Assistant

AUG 2021 - DEC 2021

- Desktop version of Virtual Assistant presented through a website.
- Virtual Assistant with features like Search, Navigate, Listen Music and more.

Technologies Used: Python, HTML, CSS, JavaScript

INTERNSHIP

UA Kathachitra Pvt. Ltd.

AUG 2022 - DEC 2022

- Completed my 4-month internship as a **Graphic Design Intern**.
- Designed and delivered 53 impactful social media posts, enhancing the company's online presence.
- Created visually captivating graphics for various events and promotions.
- Collaborated with the social media team to align designs with brand identity and campaign goals.
- Adapted to weekly deadlines and participated in brainstorming sessions to bring creative ideas to life.
